

Second Volunteer Recruitment “and Information” Expo

The Saint John Volunteer Centre invites you to participate in our Second Volunteer Recruitment “and Information” Expo to be held Thursday, October 21st and Friday, October 22nd, 2010. This well advertised expo will be held once again on Level 1 at Brunswick Square and will feature organizations in the Saint John area. Hours of the Expo will be **10am – 5pm** on Thursday & Friday.

As in 2009, participating agencies will be given one table to display their programs and recruitment messages and for awareness & Information on programs. This will provide an opportunity for members of the public to visit different tables and learn of the many and varied opportunities available in our community.

The cost to agencies will be \$25 for members of the Saint John Volunteer Centre and \$50 for non-members per day. Tables will be booked on a first come first served basis.

This is a great opportunity for agencies to showcase their programs and volunteer opportunities. We anticipate that spaces will be taken quickly, so please register as soon as possible.

If you would like more information, please contact Eileen at the Volunteer Centre at 658-1555. We look forward to having you participate in the Volunteer Recruitment Expo!

Sincerely,
Eileen McLaughlin
