Saint John, N.B. E2L-4S5

Working with you...for you!

March 18, 2009

Dear Board Chairs & Executive Directors;

The Saint John Volunteer Centre is embarking on an exciting project over the next twelve months. A task force of the Saint John Volunteer Centre Board members led by Fred Garrett, President, and supported by Michael Park, one of our Board training consultants, is evaluating the training and development needs of our member agency Boards.

In March (2009), a survey will be sent to all member agency Boards with a stamped, self-addressed envelope. The survey will be anonymous. We are expecting that the results of this survey will help your Volunteer Centre to offer even better, more focused, Board training opportunities.

Sincerely,

Fred Garrett
President, Saint John Volunteer Centre
Chair, Task Force
